

# Safeguarding God's Children Verification

Anyone 18 (graduated from High School) and older who staff any Division of Youth event must have this form signed by their Rector or Safeguarding Administrator stating that the church or school has on file for you:

- i. Results of reference checks
- ii. Signed *Code of Conduct and Acknowledgement and Release*
- iii. Background check results (within 5 years)
- iv. *Safeguarding God's Children* certificate for a 3 hour training (within 5 years)

If the church or school cannot attest to having these documents on file, you may not serve at a Division of Youth event until the church or school completes the missing items.

I verify that \_\_\_\_\_ has met the above requirements (i – iv) and verify that I have that information on file.
