

Recovery Sunday Speaker List

The Recovery Commission advises each parish to invite a recovery speaker/preacher from their own parish community, someone with at least 5 years in recovery. If you are unable to access such a person, here are the names, locations, and contact information for recovery folks who are available to share their experience, strength, and hope in your parish. Most of these are in AA/NA Recovery; several are in Al-Anon Recovery. Alternatively, you might invite an addiction counselor in your area.
